WINTER SPORT GAMES
ŠTRBSKÉ PLESO, HIGH TATRAS, SLOVAKIA
19.-22. 3. 2020

DISCOVER SLOVAKIA, MEET EUROPE! WELCOME TO STRBSKE PLESO.

With the trust of the European Federation for Company Sport we will soon be hosting the 15th European Company Winter Sports Games at Strbske Pleso in the High Tatras.

Since 1998, Slovak company games have been held here under the leadership of the ELCOP agency, in partnership with the business magazine Trend.

In 2020 the European Federation for company sport meeting at Strbske Pleso will be larger than ever before.

We are looking forward to teams from countries near and far, and preparing an intensive programme for them, focused on two sports days and three social evenings (Thursday to Sunday). For those wishing to arrive early, we will be offering optional trips and a special price offer for skiing.
